Power your planet

Introducing the next generation Power Systems with POWER7
Smarter systems for a Smarter Planet

POWER Systems HMC Seminar

IBM is pleased to announce a NO CHARGE Hardware Management Console Seminar. Gain a detailed understanding of how the HMC fits into the POWER Systems equation, when and why an HMC is required, and how to manage and maintain your HMC and firmware levels.

HMC Topics

- Introduction to the HMC for POWER Systems
 - Advanced HMC Management Features
- Managing the system firmware on your POWER based servers

Agenda

8:00-8:30 Coffee and Rolls
8:30-11:30 HMC Seminar
11:30-12:30 Lunch will be provided
